

The genesis of Dr. Health Group is “Giving Hope Back to the Society.”

Dr. Health, founded by Dr. Himanshu Dhawan (BAMS) and Dr. Megha Chaturvedi (BAMS), has established the utility of Ayurveda in a scientific context. An amalgamation of classical Ayurveda principles with a modern scientific approach has been a key factor of Dr. Health's diagnosis & treatment parameters. With an aim to create a 'Healthy World', Dr. Health facilitated a personalized **Ayurvedic treatment for male infertility** and skin disorders like **Ayurvedic treatment for vitiligo, Psoriasis Treatment, Varicocele Treatment, Oligospermia Treatment, etc.** for thousands of patients.

The center is dedicated to a mission of making the world happy, healthy, and peaceful by integrating ancient Vedic knowledge with a modern approach. Dr. Health offers Ayurvedic treatment & herbal medicines for male infertility & skin disorders. Apart from medicines, the doctors provide dietary & lifestyle to patients to make the treatment more effective.
